CCA – 'Creative Art / Splash of colours'

18th June 2024

Dear Parents,

Creativity involves nurturing young children's ability to explore, imagine, and express themselves in various ways. It is about fostering an environment where children feel safe and encouraged to think outside the box and experiment with new ideas. Art activities like drawing, painting, sculpting with clay, and crafting allow children to express their thoughts and feelings visually. These activities help develop fine motor skills and encourage open-ended exploration.

The **CCA competition** for this month is '**Creative Art / Splash of colours**'

Topic: Sr.KG, Jr.KG and Nursery - Monsoon on 26th June, 2024. The competition will be held in school during school hours.

Drawing and colouring helps develop fine motor skills and hand-eye coordination, which are essential for tasks such as writing. It also encourages imaginative thinking and the generation of new ideas. It allows individuals to express unique thoughts and concepts visually.
