Dominic Savio Kindergarten, firmly believes that art is one of the best means to inculcate self-expression, imagination and creativity in children. To encourage the same, the school had organized colouring competition CCA - Creative art / Splash of colours for the students of Pre – primary section. The competition was held on 26th June 2024 during school hours. The Topic for the competition was ‘Monsoon’.

Colouring helps children develop the coordination needed for tasks such as writing, holding crayons or coloured pencils helps build the small muscles in the hands and fingers. It can be a calming activity, reducing stress and anxiety. Completing a colouring page gives a sense of accomplishment. Children learn to identify and differentiate colours.

To nurture the creativity of the children, worksheets with pictures related to the topic according to the age group for colouring was given to Jr.KG and Nursery children. Sr.KG children had to draw and colour. The children participated with a great enthusiasm and showcased their incredible talent. It helped in exploring new ideas, creativity as well as a sense of colours.
