

Report on Father's Day Activities

Date: June 19, 2024

Father's Day was celebrated with great fervour by Classes I-V on June 19th, 2024, at our school, with active participation from the management, staff, and students. The event featured a variety of engaging activities designed to honour fathers and celebrate their role in our lives. It was celebrated along with the special initiative of No Bag Day.

The highlight of the day was the class-wise Activities organized for the students. Each class also participated in competitions tailored to Father's Day themes:

Classes 1 & 2: Greeting card making

Class 3: Keychain making

Class 4: Medal or badge making

Class 5: Trophy making

These activities not only showcased the creativity and skills of our students but also fostered a sense of appreciation for the paternal figures in their lives.

The atmosphere throughout the day was filled with excitement and camaraderie, as students enthusiastically embraced the spirit of the occasion. The success of the event can be attributed to the enthusiastic participation and support from both students and faculty.

These activities which were taken back home helped in, reinforcing the importance of family and acknowledging the contribution of fathers in shaping the lives of young children.
