## Change in School Timings for the New Academic Session

21-03-2025

Dear Parents,

We hope you and our students are looking forward to the short academic break before the new session commences. As we prepare for the upcoming academic session 2025-2026, we would like to inform you about a change in school timings, effective from 8<sup>th</sup> April, 2025.

This is in compliance with the Education Department's Gr. Dt 8<sup>th</sup> February 2024. Keeping in view that the school is a single shift school, instead of only changing the timings of the Primary school, the entire school- I-XII -will be following the changed timings.

A survey was conducted in 2024 wherein most parents agreed to the current school timings as a sizeable population of parents are working and find the current school timings convenient to drop their ward/s. Considering the parents' constraints, the school has ensured a half an hour difference from the current schedule. In the previous academic year, we observed late arrival tendency among all age groups. With this change, we hope that all our learners will arrive on time.

The revised school timings will be as follows:

| Class     | Arrival      | Dispersal    |
|-----------|--------------|--------------|
| Preschool | Same as 2024 | Same as 2024 |
| I to V    | 7:50 a.m.    | 2:25 p.m.    |
| VI to X   | 7:50 a.m.    | 3:05 p.m.    |
| XI & XII  | 7:50 a.m.    | 2:25 p.m.    |

This adjustment has been made to enhance the learning experience of our students while ensuring their comfort and well-being. We request your cooperation in ensuring that students adhere to the new schedule.

Should you have any queries, please contact the school office.

Thank you for your support and understanding.
